

Rosacea Research & Development Institute [RRDi]  
Newsletter - August 10, 2006

#### News

The Medical Advisory Committee [MAC] has now increased to fourteen members, all professionals, who have graciously volunteered to help find a cure for rosacea and advise the board of directors on what rosacea research the institute should undertake. For the current list of the MAC members go to this url >

<http://www.irosacea.org/mac.php>

MAC members are beginning to post introductory posts in the ASK THE MAC forum for corporate members. Please post your rosacea research question for discussion at this url >

#### ANNOUNCEMENTS

We are discussing in the ANNOUCEMENTS forum a new slogan for the RRDi. Please give us your ideas on what the slogan should be.

#### FUNDING

Jenny Nain is taking the lead on obtaining donations by letter writing and emails. If you would like to help, please contact [funding@irosacea.org](mailto:funding@irosacea.org)

#### ROSACEA RESEARCH

The RRDi is currently at the ground floor with rosacea research. Our bank account has very little in it and we need more volunteers to help write letters and emails to corporate sponsors so that we can engage in the novel rosacea research that corporate members want. Eventually the RRDi will engage in research that will gain the respect of the medical community and all this has been accomplished with volunteers.

#### PUBLIC RELATIONS

Adrian has taken the lead in public relations and he could use some help. The RRDi needs to be known not only on the internet but also in other places. Adrian could use some help in this department so please consider what you may offer in public relations.

#### BROCHURE

Jenny Nairn is taking the lead in making a information brochure and if you are interested in helping her contact [funding@irosacea.org](mailto:funding@irosacea.org)

#### NEW IDEAS

If you have an idea or a proposal, please post it in the private members forum for corporate members.
