Curriculum Vitae as of: 2008-10-20

Date of birth: 1951-03-05 Citizenship: Canadian
Marital status: married, 2 children

Degrees:

Fellow, Royal College of Physicians (Canada) 1989, Dermatology
Diplomate, American Board of Dermatology, 1988
Diplomate, United States National Board of Medical Examiners, 1984
M.D. (with distinction & first class standing) U of A, Edmonton, 1983
B.Sc.(with distinction & first class standing, Gold Medal for Science) U of A, Edmonton,
1979
B.A. (Economics) U of A, Edmonton, 1974

Postgraduate Training:

1985-1988 Dermatology, Mayo Clinic, Rochester, Minnesota
1984-1985 Internal Medicine, Mayo Clinic, Rochester, Minnesota
1984 Rotating Internship, Ottawa Civic Hospital, Ottawa, Ontario

Clinical Interests:

ArteSense®/Artefil®, Sculptra®, Juvéderm®, Restylane®, Evolence® and other fillers,
including use for HIV-associated lipodystrophy
Botulinum toxin A (BOTOX®) and related clostridial neurotoxins for the management of
cosmetic problems of the face, neck and upper chest, for excessive sweating, for
migraine and other headaches, and for new indications such as the treatment of
postherpetic neuralgia (PHN) and reflex sympathetic dystrophy syndrome
(RSDS).
Management of unwanted hair and vascular lesions using
1064 nm Nd-YAG Altus CoolGlide™ laser and Cutera 770 ProWave®
Non-ablative rejuvenation using 1064 nm Nd-YAG Altus CoolGlide Vantage™ laser,
and intense pulsed light, with Levulan®
Management of rosacea

Professional Interests:

Speaking at CME events for dermatologists and other physicians
• Media training with National in Toronto, 27 February 2002
Writing for medical audiences, preparation of PowerPoint™ and internet presentations

Have served on a number of industry and professional advisory boards and committees:

November 2005: Expert panel on Sculptra®

January 2006: Expert panel on BOTOX® for hyperhidrosis

Canadian Hyperhidrosis Advisory Committee

Canadian Hyperhidrosis Guidelines Development Group

Conducting clinical trials.

- Training in FDA and other inspections, and Personal Information Protection and Electronic Documents (PIPED) Act, Vancouver BC, 20

October 2002 with

Dr. Stuart Maddin, Lynne Bulger, and Paul Kidson

- Training in Responsible Conduct of Research, Quebec City QC, 20 October

2001 with

Dr. Stuart Maddin, Lynne Bulger, and Paul Kidson

- Training in Good Clinical Practice, Vancouver BC, 19 November 2000 with Dr. Stuart Maddin, Lynne Bulger, Dimitri Fitsialos, Paul Kidson and Frances Maddin

Clinical photography.

Scheduled Presentations at Major Meetings:

Presentations at Major Meetings:

BOTOX® for axillary hyperhidrosis: the consultation deconstructed. International Society for Dermatological Surgery (ISDS). Las Vegas NV. 05 Oct 2008

Starch-iodine test (and photography of results) is very useful in the management of axillary hyperhidrosis with BTX-A. International Society for Dermatological Surgery (ISDS). Las Vegas NV. 05 Oct 2008

Ice analgesia facilitates treatment of palmar and plantar hyperhidrosis with BTX-A: technical details and practical tips. International Society for Dermatological Surgery (ISDS). Las Vegas NV. 05 Oct 2008

Physiology and pharmacology of botulinum toxin type A. University of Alberta Medicine Class of '83 Reunion. Edmonton AB 04 Oct 2008

Recent advances in our understanding of botulinum toxin. East Tennessee Dermatological Society. Knoxville TN 5 Sept 2008

Laser and IPL treatment of leg veins and telangiectasia. 1st Panamerican Conference on anti-aging and aesthetic medicine (PACAAM). Montreal QC 4 Sept 2008

What do do when a patient with a complication caused by someone else comes to see YOU? Controversies and Conversations in Laser and Cosmetic Surgery. Whistler BC 9 August 2008

LED Photomodulation: Towards optimum treatment protocols. Controversies and Conversations in Laser and Cosmetic Surgery. Whistler BC 8 August 2008

Photography is an essential element of every initial aesthetic consultation. FACE 2008 Toronto ON 26 April 2008

Ice anesthesia for BOTOX® treatment of Palmar Hyperhidrosis & Juvéderm – a uniquely versatile and effective family of fillers. Derm Update, Whistler BC 9 April 2008

BOTOX® cosmetic consult video presentation. Noah Worcester Dermatological Society 50th Annual Meeting, Scottsdale AZ 4 April 2008

BOTOX® for hyperhidrosis consult video presentation. Noah Worcester Dermatological Society 50th Annual Meeting, Scottsdale AZ 4 April 2008

Laser hair removal consult video presentation. Noah Worcester Dermatological Society 50th Annual Meeting, Scottsdale AZ 4 April 2008

Leg vein laser treatment consult video presentation. Noah Worcester Dermatological Society 50th Annual Meeting, Scottsdale AZ 4 April 2008

Photography is an essential element of every initial aesthetic consultation. FACE 2008 London ON 29 Mar 2008

Rejuvenation of the Hands. Combined Conference of the Australasian College of Cosmetic Surgery, Cosmetic Physicians Society of Australasia and the Australasian Academy of Facial Plastic Surgery, Queensland, Australia (Gold Coast) from 13th – 16th March 2008.

Juvéderm administered through a BD-II 0.3 ml syringe with 31 ga needle is very useful: Strategies for administration of JUVEDERM® for fine perioral lines. Combined Conference of the Australasian College of Cosmetic Surgery, Cosmetic Physicians Society of Australasia and the Australasian Academy of Facial Plastic Surgery, Queensland, Australia (Gold Coast) from 13th – 16th March 2008.

Ice can provide excellent anesthesia for fillers. Combined Conference of the Australasian College of Cosmetic Surgery, Cosmetic Physicians Society of Australasia

and the Australasian Academy of Facial Plastic Surgery, Queensland, Australia (Gold Coast) from 13th – 16th March 2008.

Facial volume restoration with Juvéderm. Combined Conference of the Australasian College of Cosmetic Surgery, Cosmetic Physicians Society of Australasia and the Australasian Academy of Facial Plastic Surgery, Queensland, Australia (Gold Coast) from 13th – 16th March 2008.

Enhancement and restoration of the lips. Combined Conference of the Australasian College of Cosmetic Surgery, Cosmetic Physicians Society of Australasia and the Australasian Academy of Facial Plastic Surgery, Queensland, Australia (Gold Coast) from 13th – 16th March 2008.

Lip rejuvenation with JUVÉDERM®. (Workshop) Combined Conference of the Australasian College of Cosmetic Surgery, Cosmetic Physicians Society of Australasia and the Australasian Academy of Facial Plastic Surgery, Queensland, Australia (Gold Coast) from 13th – 16th March 2008.

Midface rejuvenation with JUVÉDERM®. (Workshop) Combined Conference of the Australasian College of Cosmetic Surgery, Cosmetic Physicians Society of Australasia and the Australasian Academy of Facial Plastic Surgery, Queensland, Australia (Gold Coast) from 13th – 16th March 2008.

Novel use for JUVÉDERM® & BOTOX®. (Workshop) Combined Conference of the Australasian College of Cosmetic Surgery, Cosmetic Physicians Society of Australasia and the Australasian Academy of Facial Plastic Surgery, Queensland, Australia (Gold Coast) from 13th – 16th March 2008.

Employment contracts have become an essential part of employee relations in Canadian medical office practice. SkinCME, Park City UT 1 March 2008

A practical system for routine photography of aesthetic patients. FACE 2008, Toronto ON 23 February 2008

Ice analgesia for BTX-A treatment of palmar hyperhidrosis. American Academy of Dermatology annual meeting San Antonio TX 2 February 2008

Ice analgesia for BOTOX® treatment of palmar hyperhidrosis. FACE 2008 Las Vegas NV 18 January 2008

Light emitting diodes: Why has it been so hard to get supportive data after so many years? Laser Controversies. Lake George NY, 10 August 2007

Hot topics: Laser eye protection. Laser Controversies. Lake George NY, 10 August 2007

BTX – is there anything new and interesting? Laser Controversies. Lake George NY, 10 August 2007

BOTOX® & Fillers in the upper, mid and lower face. IMCAS ASIA 2007 International Master Course on Aging Skin, 16-17 July 2007, Bangkok, Thailand

Next Generation Dermal Fillers, The Aesthetic Show, May 25-27, 2007, Las Vegas NV

Analgesia with ice to reduce injection discomfort when treating palmar and plantar hyperhidrosis with BOTOX®; and when injecting fillers. 6-12 May 2007 Noah Worcester Society. London, England

Rejuvenation of the Hands. Cosmetic Update 29 March-01 April 2007, Riviera Maya, Mexico

Skin Tightening. Cosmetic Update 29 March-01 April 2007, Riviera Maya, Mexico

Why I think I and my patients will prefer BOTOX® to Reloxin®. Cosmetic Update 29 March-01 April 2007, Riviera Maya, Mexico

Non-Physician Practice of Medicine: Will the regulators help us? Cosmetic Update 29 March-01 April 2007, Riviera Maya, Mexico

Avoiding and treating filler complications. THE ART & SCIENCE OF FILLERS AND INJECTABLES, American Society for Dermatological Surgery, Chicago IL , March 23-24, 2007

BTX Overview. THE ART & SCIENCE OF FILLERS AND INJECTABLES, American Society for Dermatological Surgery, Chicago IL , March 23-24, 2007

BTX -- What's Next? THE ART & SCIENCE OF FILLERS AND INJECTABLES, American Society for Dermatological Surgery, Chicago IL , March 23-24, 2007

How to assess new rejuvenation technologies for your practice. Philippine Academy Of Dermatology Society and the Philippine Society for Cosmetic Surgery, Manila, 3-7 March 2007

Botulinum Toxin: Beyond Wrinkles. Philippine Academy Of Dermatology Society and the Philippine Society for Cosmetic Surgery, Manila, 3-7 March 2007

Treatment of the aging face: What can be done with fillers. Philippine Academy Of Dermatology Society and the Philippine Society for Cosmetic Surgery, Manila, 3-7

March 2007

The BOTOX® consultation. FACE 2007. South Beach, Miami FL 23 January 2007.

BOTOX® for headache. FACE 2007. South Beach, Miami FL 23 January 2007.

BTX – The Continuing Revolution. Plenary Address, International Academy of Cosmetic Dermatology, Melbourne, Australia 12 December 2006

Ice to facilitate treatment of palmar and plantar hyperhidrosis with BOTOX®. International Academy of Cosmetic Dermatology, Melbourne, Australia December 2006

BOTOX® for migraine and other headache syndromes. International Academy of Cosmetic Dermatology, Melbourne, Australia December 2006

Ice, long needles and pressure to reduce pain and bruising when administering fillers. International Academy of Cosmetic Dermatology, Melbourne, Australia December 2006

How I help patients decide which filler to use for aesthetic treatment of the face. International Academy of Cosmetic Dermatology, Melbourne, Australia December 2006

Faculty, Botox®, Fillers & More, Vancouver BC 18-20 August 2006

Focal application of ice allows injection of BTX-A for treatment of palmar and plantar hyperhidrosis without the need for a nerve block.

Treatment of pain and of posture with BTX-A.

American Academy of Dermatology Annual Meeting, San Francisco CA
04 March 2006

BOTOX® vs Dysport®/Reloxin®: Are they the same or different?

Update on Dermal Fillers, 30th Hawaiian Dermatology Meeting, Kauai HI, 12 February 2006

Faculty, Skin CME, Zermatt Switzerland 23-30 January 2006

Faculty, Facial Aesthetic Chemodervation for Experts, Newport Beach CA 20-23 January 2006

Vibration + ice to facilitate Botox® treatment of palmar hyperhidrosis. Noah Worcester Dermatological Society Annual Meeting, Cabo san Lucas, Mexico 08-14 January 2006

Challenges in the conduct of Botox® trials. Dermatology Update Clinical Trials Workshop. Montreal, QC. Sunday 6 November 2006.

Botulinum Toxin for the treatment of painful conditions. American Society for Dermatologic Surgery, Atlanta GA 28 October 2005

Chair, Cutera Laser Users group conference, 20-21 August 2005, Manhattan NY.

Faculty, Botox® for Hyperhidrosis, Investigator Meeting, Chicago IL 13 August 2005

Faculty, Conversations and Controversies in Cutaneous Laser Medicine and Surgery, Colorado Spring CO 12-14 August 2005

Faculty, Botox Update. Auckland, New Zealand. Sat 18 December 2004.

FACE: Botox & Fillers Update (faculty). Scottsdale AZ. 21-25 January 2004.

Arteoll® Advanced Injector Course (faculty). Vancouver, BC, Saturday 23 April 2005.

Arteoll® Advanced Injector Course (faculty). Toronto, ON, Saturday 16 April February 2005.

Arteoll® Advanced Injector Course (faculty). Montreal, QC, Saturday 5 February 2005.

Botox® Breast Lift: is it real? American Academy of Dermatology. Saturday 19 February 2005.

Botulinum toxin for pain: headache, postherpetic neuralgia, painful scars, and reflex sympathetic dystrophy. Ipsen Dysport® Master Class. Cozumel, Mexico 21 November 2004

Treatment of Acute Skin Failure. Dermatology Update, Vancouver BC, Saturday 16 October 2004. Dr. Ian Landells and Dr. Kevin Smith.

New Uses for Botulinum Toxin. American Academy of Dermatology, Manhattan NY, Fri 30 July 2004

Anesthetic cream block of the lips facilitates treatment of the lips using collagen or Artecoll injections, avoiding the need for nerve block. Botox®, Fillers & More. Vancouver BC, Sat 21 August 2004

Vibration to reduce discomfort of palmar and plantar injections of botulinum toxin. Botox®, Fillers & More. Vancouver BC, Sat 21 August 2004

Botulinum toxin treatment can improve posture and so improve presentation of the breast. International Congress of Cosmetic Dermatology and Hair. Mexico City, Fri 11 June 2004

Subdermal thermal contraction: a novel device for treatment of lax skin and wrinkles (Subdermat thermal contraction : nouvelle approche non ablativ du relachement cutané). 25th Congress of Aesthetic Medicine and Dermatological Surgery. Paris, Friday 01 October 2004

Faculty: Botox®, Fillers & More, Vancouver BC, 20-22 August 2004
Cream Block eliminates need for nerve block before filler injection of lips.
Botox® treatment for postherpetic neuralgia and for painful scars.
Pain prevention in dermatologic procedures.

Vibration to reduce pain in skin procedures. Laser Controversies, Mt. Tremblant QC, Saturday 14 August 2004

Faculty: Facial Aesthetics: Chemodenervation for Experts. Dallas TX

Treatment of postherpetic neuralgia and painful scars with botulinum toxin. American Academy of Dermatology. Washington DC. 06 February 2004

Treatment of postherpetic neuralgia and painful scars with botulinum toxin. Noah Worcester Dermatological Society. Maui, HI. 20 January 2004

Treatment of postherpetic neuralgia and painful scars with botulinum toxin. International Society for Dermatological Surgery. Berlin, Germany. 19 September 2003

Vibration to reduce discomfort of palmar and plantar injections of Botox®. Botox®, Fillers & More. Vancouver BC. 22 August 2003.

Faculty: Altus CoolGlide user group meeting. Marina del Ray, CA. 15 August 2003.

Botulinum toxin for postherpetic neuralgia and painful scars. American Academy of Dermatology. Chicago IL Sunday 29 July 2003

Faculty: Facial Aesthetics: Chemodenervation for Experts. Banff AB 23-25 May 2003

How to establish and operate a website for your practice: my experience over the past 5 years. American Academy of Dermatology, San Francisco 24 March 2003

Clinical Pearls for the use of botulinum toxin A (BOTOX®). American Academy of Dermatology, San Francisco 25 March 2003

Medical Dermatology Uses for Botulinum Toxin A (BOTOX®). Noah Worcester Meeting, Boca Raton FL 20 January 2003

Medical Dermatology Uses for Non-ablative Laser and Intense Pulsed Light therapy. Noah Worcester Meeting, Boca Raton FL 20 January 2003

Botulinum toxin A (BOTOX®) for the management of chronic refractory trigeminal postherpetic neuralgia in two elderly patients. Derm Update, Vancouver BC 19 October 2002

Followup report on Acne Mentorship Program for Family Doctors, with MAINPRO-C Continuing Medical Education Credit. Derm Update, Vancouver BC 19 October 2002

BOTOX® – an important part of my transition from medical to cosmetic dermatology. Derm Update Vancouver BC 17 October 2002

Review of psoriasis therapies and consideration of the role of acitretin (Soriatane). Advisory Board on Soriatane. Derm Update, Vancouver BC 17 October 2002

Skin rejuvenation: my approach. Regional Conference in Dermatological Laser and Facial Cosmetic Surgery 2002. Hong Kong 13 September 2002

Laser and Intense Pulsed Light-assisted Hair Removal in Asians. Regional Conference in Dermatological Laser and Facial Cosmetic Surgery 2002. Hong Kong 15 September 2002

Therapeutic Pearls. American Academy of Dermatology, New Orleans LA 26 February 2002.

Side-effects of non-Accutane™ treatments for acne. Derm Update, Quebec City QC, 18 October 2001

The impact of the media and the internet on recognition and management of medication side effects. Derm Update, Quebec City QC, 18 October 2001

The effect of laser hair removal on a medical dermatology practice. Derm Update, Quebec City QC, 20 October 2001

Hormonal therapy for female acne. Annual Family Medicine Review Conference, Regina SK, 28 September 2001.

How to get what you want, when you want it (on the Internet and on Medline). Derm Update 1999, Montreal QC, 30 October 1999

Cyclosporine: mechanisms of action and new clinical applications. RxDerm First Annual Meeting, San Antonio TX, 5 November 1999

Five years of experience with a speech recognition system for dermatology transcription. RxDerm First Annual Meeting, San Antonio TX, 5 November 1999

Topical strontium for reduction of stinging, itch and burning. RxDerm First Annual Meeting, San Antonio TX, 6 November 1999

Erythema multiforme, toxic epidermal necrolysis, and Stevens-Johnson syndrome: pathophysiology and management. RxDerm First Annual Meeting, San Antonio TX, 6 November 1999

Non-pharmacological Therapeutic Pearls.

American Academy of Dermatology Summer Meeting, New York NY, 29 July 1999.

Chair, Panel on Political and Economic Issues in Dermatology.

Canadian Dermatology Association Annual Meeting, Vancouver BC, 3 July 1999.

How to get what you want, when you want it (on the Internet and on Medline).

American Academy of Dermatology Annual Meeting, New Orleans LA, 22 March 1999

Halobetasol ointment is useful in the acute management of ultraviolet-B light burns.

Noah Worcester Society Annual Meeting, Scottsdale AZ, 30 April 1998.

The role played by the Internet in the launch and subsequent banning of Skin Cap.

Internet Dermatology Society Annual Meeting, Orlando FL, February 1998.

Skin Cap: What did we learn, and when did we learn it? Derm Update 97, Montreal,

October 1997.

A computerized speech-recognition system for production of dermatology consultation

letters. Canadian Dermatology Convention, St. John's, Newfoundland July 1997.

Dermatology on the Internet. Canadian Dermatology Convention, St. John's,

Newfoundland July 1997.

Cyclosporine is useful in the management of ulcerating necrobiosis lipoidica. (Poster.)

World Congress on Immunotherapy, Rome Italy June 1996.

Hydroxychloroquine is useful in the management of atopic dermatitis. Annual Meeting of

the Canadian Dermatological Association, Niagara-on-the-Lake, 1991.

Alpha-1-antitrypsin deficiency was found in 15 of 96 cases of panniculitis: clinical and

histopathologic correlations. Annual Meeting of the Canadian Dermatological Association,
Banff, June 1988.

Panniculitis associated with alpha-1-antitrypsin deficiency. Summer Session of American

Academy of Dermatology, Boston, June 1986.

T-cell subsets in necrobiosis lipoidica. Annual Meeting of the Canadian Dermatological

Association, Montreal, June 1987.

Cutaneous complications of hematoporphyrin derivative administration. Summer Session

of American Academy of Dermatology, Anaheim, July 1987.
