

# **Michelle Terez Pelle, M.D.**

Curriculum Vitae: February, 2007

Primary office address: MedDerm Associates, Inc.  
4065 Third Avenue, Suite 102  
San Diego, CA 92103

Academic office address: Division of Dermatology  
University of California, San Diego Medical Center  
200 West Arbor Drive, Mail Code 8420  
San Diego, CA 92103

Education:

1989-93	BA	Franklin and Marshall College Lancaster, PA (Biology, Chemistry)
1993-97	MD	Jefferson Medical College of Thomas Jefferson University Philadelphia, PA

## Postgraduate Training and Fellowship Appointments:

1997-98	Internal Medicine Internship University of Pittsburgh Medical Center Pittsburgh, PA
1998-01	Dermatology Residency Geisinger Medical Center Danville, PA
2001-02	Clinician Educator Fellowship Hospital of the University of Pennsylvania Philadelphia, PA

## Masters Level Coursework:

1. Patient Oriented Research I.  
CREST Program, UCSD Medical Center, Spring, 2005
  - developed and applied the theories of clinical trial design and analysis
  - discussed the practical issues of financing and implementation of clinical trials
  - described issues of monitoring trials and worked in cooperative groups
  - designed a protocol for a clinical trial
2. International Psoriasis Council Education Symposium: Running Dermatology Clinical Trials  
Scottsdale, Arizona, March 11-13, 2005

3. Clinical Epidemiology I.  
University of Pennsylvania, Fall Semester, 2001

Staff Appointments:

Instructor:

July, 2001 to June, 2003 Hospital of the University of Pennsylvania  
July, 2001 to June, 2003 Pennsylvania Hospital, Philadelphia  
July, 2001 to June, 2003 Presbyterian Medical Center, Philadelphia

Independent Contractor:

July, 2001 to June, 2002 Office of Paul Gross, M.D.,  
220 S. 8<sup>th</sup> St., Philadelphia, PA, 19107

Assistant Clinical Professor:

July, 2003 to June, 2004 Boston University Medical Center  
July, 2003 to June, 2004 Boston Veteran Affairs Medical Center  
July, 2004 to June, 2006 Veterans Administration, San Diego  
August, 2004 to present UCSD Medical Center

Specialty Certification:

2001 American Board of Dermatology

Licensure:

1997 – 2003 Pennsylvania (inactive status)  
2003 – 2005 Massachusetts (inactive status)  
July 1, 2004 California (active status)

Awards and Honors:

2003 Leadership Forum of American Academy of Dermatology  
2002 Irish Association of Dermatology Scholarship  
Guest Attendance at 2003 Annual Meeting  
2001 Women's Dermatology Society Scholarship  
Mentorship with Dr. Jeffrey P. Callen  
1994 Leon Herbin Scholarship for Academic Merit  
Franklin and Marshall College  
1992 Huffnagle Scholarship for Academic Merit  
Franklin and Marshall College

Membership in Professional Societies:

National Societies:

American Academy of Dermatology  
Medical Dermatology Society  
American Society of Dermatologic Surgery

Local Societies:

California Society of Dermatology  
Foundation of the Pennsylvania Medical Society  
San Diego Dermatological Society

Foundation Memberships:

National Psoriasis Foundation  
Pemphigus/Pemphigoid Foundation  
National Rosacea Society  
Lupus Foundation  
Hidradenitis Suppurativa Foundation

Editorial Positions:

2001-02 eMedicine Online Journal, Dermatology Section

Academic Committees and Titles:

2001-02 Graduate Medical Education Committee,  
Hospital of the University of Pennsylvania

2002-06 American Board of Dermatology Recertification Board  
Committee, American Academy of Dermatology

2003-04 Course Director, 4<sup>th</sup> Year Medical Student Elective, "Clinical  
Dermatology", Boston University School of Medicine

2004-06 Course Director, Medicine 428 Elective, "Clinical  
Dermatology" UCSD School of Medicine

Lectures and Presentations:

*Challenging Cases.* Forum 517, American Academy of Dermatology  
Summer Meeting, San Diego, CA, July 29, 2006.

*Widespread Cutaneous Sarcoidosis.* Cutaneous Manifestations of Internal Disease Forum 511, American Academy of Dermatology Summer Meeting, San Diego, CA, July 28, 2006.

*Collagen Vascular Disorders in Skin of Color.* Skin of Color Course 101, American Academy of Dermatology Summer Meeting, San Diego, CA, July 27, 2006.

*Dermatologic Therapy Review, Lasers in Dermatology, Skin Signs of Systemic Disease, Bullous Diseases Symposium and Connective Tissue Disorders (5 lectures).* Lecturer at Dubai Dermatology Review Course, April 17-19, 2006, Dubai, United Arab Emirates.

*Psoriasis Therapeutics.* Presentation to Targegen Inc Advisory Board, San Diego, CA, March 16, 2006.

*Rosacea Update.* Forum, American Academy of Dermatology Annual Meeting, San Francisco, CA, March 3, 2006.

*Therapeutic Focus on Connective Tissue Disorders.* Focus Session: American Academy of Dermatology Annual Meeting, San Francisco, CA, March 5, 2006 and New Orleans, LA, February 22, 2005.

*Cutaneous Lupus.* UCSD Dermatology Grand Rounds Speaker, January 26, 2006.

*Birt Hogg Dube Syndrome.* Medical Dermatology Symposium, American Academy of Dermatology, Annual Summer Meeting, New York, NY, July 30, 2004.

*Palisaded and Neutrophilic Granulomatous Dermatitis.* Abstract presentation. Medical Dermatology Society Meeting. Washington, D.C., February 5, 2004.

*Neonatal Lupus Erythematosus.* Medical Dermatology Symposium, American Academy of Dermatology, Annual Summer Meeting, Chicago, IL, July 27, 2003.

*Medical Dermatology.* Guest lecturer: Temple University Medical Center, Department of Internal Medicine, June 9, 2003.

*Rosacea Update.* Focus Session: American Academy of Dermatology Annual Meeting, San Francisco, CA, March 21, 2003

*Retinoids and Rosacea.* Presentation to Johnson & Johnson Advisory Board, Philadelphia, PA, May, 2002.

*Skin signs of HIV infection.* Lecture: Dermatology Core-Curriculum Course for Medical Students, University of Pennsylvania School of Medicine, Philadelphia, PA, April 23, 2002.

*Pediculosis.* Lecture: Dermatology Core-Curriculum Course for Medical Students, University of Pennsylvania School of Medicine, Philadelphia, PA, April 25, 2002 and Boston University School of Medicine, Boston, MA, January 5, 2004.

*Teaching for Teachers.* Lecture and Discussion Group: Dermatology Teachers Exchange Group (DTEG), Annual Meeting, Chicago, IL, October 4, 2002.

*Family Practice Board Review Course: Dermatology Review.* Lecture: Renaissance Hotel, Philadelphia Airport, June 11, 2003 and July 2, 2002.

*Cerebral autosomal dominant arteriopathy with subcortical infarcts and leukoencephalopathy.* 4 minute talk: Gross and Microscopic Symposium. American Academy of Dermatology, New Orleans, LA, February 23, 2002.

*Adverse cutaneous reactions to hydroxychloroquine are more common in patients with dermatomyositis than in patients with cutaneous lupus erythematosus.* Abstract presentation: Medical Dermatology Society Annual Meeting, New Orleans, LA, February 21, 2002.

*Picking an Assessment Tool.* Presentation: ACGME Resident Competencies. Graduate Medical Education Committee, University of Pennsylvania, Philadelphia, PA, January 18, 2002.

*Skin Signs of Systemic Disease.* Lecture: Department of Internal Medicine Noon Conference, Pennsylvania and Presbyterian Hospitals, Philadelphia, PA. November 16, 2001, January 28, 2002, November 15, 2002.

*Dermatologic Emergencies.* Lecture: Department of Internal Medicine Noon Conference, Pennsylvania and Presbyterian Hospitals, Philadelphia, PA. September 24, 2001, September 14, 2001 and September 6, 2002.

*ACGME Resident Competencies and the 360-Degree Global Evaluation Tool.* Lecture and Discussion Group: Dermatology Teachers Exchange Group, Annual Meeting, Chicago, IL, September 7, 2001.

*Cosmetic Dermatology: The Aging Face.* Lecture: Grand Rounds, Department of Dermatology, Geisinger Medical Center, Danville, PA, December 14, 2000 and Resident Lecture: University of Pennsylvania, Philadelphia, PA, January 29, 2002.

*A twenty-year progression of X-linked recessive epidermodysplasia verruciformis of Lewandowsky and Lutz with review of recent molecular advances.* 4 minute talk: Gross and Microscopic Symposium. American Academy of Dermatology, Washington, DC, March, 2001.

*Pigmented Purpuric Dermatitis:* Lecture: Dermatology Annual CME Course, Geisinger Medical Center, Danville, PA, May 17, 2000.

*Psoralen and UVA Photochemotherapy:* Lecture: Grand Rounds, Department of Dermatology, Milton S. Hershey Medical Center, Hershey, PA, December 2, 1999.

*Eccrine angiomatous hamartoma* Poster: Society of Pediatric Dermatology, Annual Meeting, Crystal Lake, Michigan, July, 1999.

#### Clinical Trials:

“Apligraf for the treatment of venous leg ulcers.” Phase IV trial. Sponsor: Novartis Pharmaceuticals, 2000-2001. Site: Geisinger Medical Center Department of Dermatology. Principal Investigator: O. Fred Miller, M.D. My role: data collection.

“Minimal erythema dose (MED) testing to predict narrowband UVB dosing in patients with light-responsive dermatoses”. Investigator initiated review, 2002. Site: University of Pennsylvania, Department of Dermatology. Retrospective review of patients attending University-based Phototherapy Center. Primary Investigator: Abby Van Voorhees, M.D. My role: data collection.

“Sub-antimicrobial-dose doxycycline for the treatment of papulopustular rosacea.” Investigator initiated trial, 2002. Site: University of Pennsylvania, Department of Dermatology. Pilot study to evaluate efficacy of therapy. Principal Investigator: Michelle Pelle, M.D.

“Pulsed dye laser as adjunctive therapy for discoid lupus erythematosus.” Investigator initiated trial, 2002. Site: University of Pennsylvania, Department of Dermatology. Pilot study to evaluate efficacy of therapy. Principal Investigator: Michelle Pelle, M.D.

“Acne Free vs. Proactiv for the treatment of mild to moderate acne vulgaris.” Cosmeceutical. Sponsor: University Medical, Inc., April, 2006. Principal Investigator: PRACS, Inc. My role: Independently contracted physician for data measurements (acne lesion counts and erythema/dermatitis assessment).

“Acne Free vs. Proactiv for the treatment of moderately severe acne vulgaris.” Cosmeceutical. Sponsor: University Medical, Inc., August, 2006, ongoing. Principal Investigator: Michelle Pelle, M.D.

Alternative media:

Dermatology Update, Video Series Feature: *Rosacea.*, AAD Media Relations, October, 2004.

Pelle MT. Online Continuing Medical Education Lecture Series, Graduate Education Foundation:

1. “Cutaneous Neoplasms Part 1 and Part 2”, released July, 2005.
2. “Inflammatory Dermatoses”, released December, 2005.
3. “Cutaneous Manifestations of Infection”, in production.
4. “Skin Signs of Systemic Disease”, in production.

Pelle MT, Brown S. Rosacea Update. Dialogues in Dermatology.  
Compact Disc Presentation. June, 2004.

Pelle MT, James WD. Online Resident Evaluation System: 360-degree  
evaluation and monthly rotation evaluation, in accordance with  
ACGME guidelines.
